

COMMISSION ON ACCREDITATION FOR RESPIRATORY CARE

Student Evaluation SSR Questionnaire

Directions

Arrange to have a student proctor administer the Student Evaluation SSR Questionnaire to all currently enrolled students. Mail the completed Questionnaires directly to the CoARC Executive Office separately from the Self-Study Report (SSR) document.

NOTE: All students currently enrolled in the program are to be given a copy of the Student Evaluation SSR Questionnaire to be completed by the students and returned to the CoARC Executive Office anonymously.

Suggestion:

Make enough copies of the Student Evaluation SSR Questionnaire for all currently enrolled students. Assign a student proctor to administer the questionnaire in class. Have the student proctor place all completed questionnaires in a big envelope and seal the envelope. The program could then mail the sealed envelope directly to the CoARC Executive Office.

For programs with more than one cohort enrolled at a time, complete the above process with each cohort.

If you have any questions, please call the Executive Office for assistance at (817) 283-2835.
