

COMMISSION ON ACCREDITATION FOR RESPIRATORY CARE
APPLICATION FOR ACCREDITATION SERVICES

The accreditation process of the Commission on Accreditation of Respiratory Care (CoARC) is initiated or continued at the request of the institution sponsoring an educational program in respiratory care. This application, signed by the chief executive officer and program official constitutes the formal accreditation request.

The CoARC accreditation process provides peer review of the program's educational content and process based on national education *standards published as the CoARC*

This process includes: (1) A clear statement of educational objectives established by the Sponsor; (2) Completion of a directed self-study focused on activities related to the objectives; (3) A site visit by a selected group of peers; and (4) Evaluation by an independent body that the program does or does not comply with the *Standards* of accreditation. Volunteers from the educational and professional communities provide their time and experience to support this process.

On behalf of (the "Sponsor")

and

(the "Program"), the undersigned hereby apply to the Commission on Accreditation for Respiratory Care ("the CoARC") for accreditation of the Program in accordance with and subject to the procedures and regulations of the CoARC. The undersigned have read and agree to the conditions set forth in the CoARC's *Standards, Accreditation Policies and Procedures Manual*, and other policy documents describing accreditation and the accreditation process. The undersigned understand and agree that the Program will be subject to denial of accreditation; to withdrawal of accreditation and forfeiture and redelivery of any status of public recognition indicating accreditation granted by the CoARC; and to denial of future eligibility for accreditation in the event that any of the statements or answers made in this application are false or in the event that the Program violates any of the rules or regulations governing accredited programs.

The undersigned authorize the CoARC to make whatever inquiries and investigations it deems necessary to verify the contents of this application. The undersigned understand that this application and any non-public information or material received or generated by the CoARC in connection with the accreditation process will be kept confidential and will not be released unless the Program has authorized such release or such release is required by law, except when required to meet recognition criteria of the Council for Higher Education Accreditation (CHEA). Information identified in CoARC Policy 14.03 will not be treated as confidential and may be released to the public. The CoARC may use other information from this application for the purpose of statistical analysis, provided that the Program's identification with that information has been deleted.

To the extent permitted by relevant state law, the undersigned hereby agree to hold the CoARC, its officers, commissioners, employees, and agents harmless from any and all actions, suits, obligations, complaints, claims, or damages including, but not limited to, reasonable attorneys' fees, arising out of any action or omission by any of them in connection with this application; the application process; or the denial or withdrawal of the Program's accreditation or eligibility for accreditation.

Notwithstanding the above, should the Institution or the Program file suit against CoARC, the undersigned agrees that any such action shall be governed by and construed under the laws of the State of Texas without regard to conflicts of law. The undersigned further agrees that any such action

shall be brought in the District Court of Tarrant County in the State of Texas, or the Federal District Court for the Northern District of Texas; consents to the jurisdiction of such state and federal courts; and agrees that the venue of such courts is proper. The undersigned further agrees that, should the Institution or the Program not prevail in any such action, CoARC shall be entitled to and, to the extent permitted by relevant state law shall be reimbursed for, costs, including reasonable attorneys' fees, incurred in connection with the litigation.

THE UNDERSIGNED UNDERSTAND THAT THE DECISION AS TO WHETHER THE PROGRAM QUALIFIES FOR ACCREDITATION RESTS SOLELY AND EXCLUSIVELY WITH THE COARC AND THAT THE DECISION(S) OF THE COARC ARE FINAL.

THE UNDERSIGNED HAVE THE AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF THE PROGRAM AND THE INSTITUTION, AS INDICATED BELOW.
