

**COMMISSION ON ACCREDITATION FOR
RESPIRATORY CARE**

2018 Third-Party Comment List

CoARC invites third-party comments on those institutions undergoing an evaluation for Approval of Intent, Provisional, or Continuing accreditation. The purpose of CoARC’s review is limited to assessing the institution’s ability to meet CoARC’s accreditation Policies and Accreditation Standards for the Profession of Respiratory Care. Comments must be written and signed (i.e., not anonymous) and must include contact information. Submission of a comment grants permission for the comment to be shared with the program. Comments should specifically address one or more of CoARC’s accreditation Policies or accreditation Standards (see [CoARC Accreditation Policy 1.12 – Third-Party Comments](#)).

Although CoARC actively invites comments during the self-study processes for Provisional or Continuing accreditation, comments submitted at other times will be considered during the next scheduled accreditation review. CoARC may also invite comments through other means, such as letters or announcements to specific groups, including federal or state agencies and regional or national accrediting organizations.

The following is a list of programs (arranged by state) seeking an Approval of Intent, Provisional, or Continuing Accreditation. Comments must be submitted no later than six (6) weeks prior to the visit. Comments submitted after this deadline will not be reviewed. Please contact Bonnie Mars (bonnie@coarc.com) at the CoARC office for exact visit dates.

All comments can be submitted via electronic mail to Dr. Tom Smalling (tom@coarc.com) or regular mail to the CoARC Executive Office, 1248 Harwood Road, Bedford, TX 76021.
