

COMMISSION ON ACCREDITATION FOR RESPIRATORY CARE TRANSFER OF SPONSORSHIP REQUEST FORM

In accordance with CoARC Policy 1.08, CoARC requires submission and subsequent CoARC approval of this *Transfer of Sponsorship Request Form* (available at www.coarc.com) from any base program holding Continuing Accreditation status with no pending progress reports that requests a transfer of sponsorship of the base program and/or program option(s) to a new sponsor. Failure to submit this completed request form as well as a letter (signed by the current sponsor's CEO or President) affirming its intent to transfer sponsorship and the proposed effective date may result in a delay or denial of the request.

The CoARC Executive Office and an assigned Referee will review the request to ensure that compliance with the *Standards* and Policies will not be adversely affected by implementation of the transfer.

Following a review of submitted materials by the Executive Office and an assigned Referee, the CoARC Board will:

1. approve the transfer of sponsorship and maintain continuing accreditation status of the program; or
2. approve the transfer of sponsorship and confer provisional accreditation status of the program; or
3. deny the transfer of sponsorship.

CoARC may request a new Self-Study Report with an on-site review prior to its decision. A request for transfer of sponsorship does not guarantee that the transfer will be granted

This *Transfer of Sponsorship Request Form* must be submitted in an electronic format and must contain all items, at a minimum, listed below:

Upon receipt of this completed form the CoARC will update the program's record in accordance with the dates provided above. The CoARC expects that the delivery of education and services to the remaining students, if any, will not be disrupted and that the new sponsor of the program will continue to maintain compliance with CoARC Accreditation Standards.

Enrolled students who complete the program during a Transfer of Sponsorship are considered graduates of a CoARC accredited program. Students enrolled and graduated by an institution that does not hold CoARC accreditation will not be considered graduates of a CoARC accredited program. (CoARC Policy 1.133)
