## Updates

### [Update on Site Visitor Name Tags](#)

We have received new Site Visitor name tags to replace the disposable ones and Ms. Marrs is sending them out with upcoming site visit folders and will also have them available at the Summer Forum and the International Congress.

### [Update on Virtual Site Visit Process](#)

The Site Visit Committee met with [Indigo Interactive](#) to review the Site Visit Module and discussed improving the Peer Evaluation and Post Site Visit Questionnaire forms by incorporating a Likert scale that requires comments for all ratings of 3 or below. The virtual site visit module will be available later this year with training to follow.
