

## IN MEMORIAM

### **Bradley A. Leidich, MSED, RRT, FAARC CoARC Commissioner Emeritus**

On June 12<sup>th</sup>, 2022, the Commission on Accreditation for Respiratory Care (CoARC) and the respiratory care profession lost a cherished friend, colleague, and mentor.

At the time of his sudden passing, Mr. Leidich was serving as a Commissioner Emeritus and enjoying his “retirement.”

Since 1999, Mr. Leidich had provided significant and lasting contributions to the CoARC and the profession. He served as CoARC Secretary from 2004-2007; President-Elect from 2013-2015; President from 2015-2017; Immediate Past-President from 2017-2019; and Site Visit Review Committee Chair for 9 years. He also earned a well-deserved national reputation for his dedicated service as a Site Visitor and Team Captain for the CoARC since 1989.

Over his many years of service, respiratory care programs, faculty, students, graduates, and the public have benefited greatly from Mr. Leidich’s immense dedication, hard work, knowledge, and expertise in ensuring high-quality respiratory care education. His extraordinary service to the CoARC, his colleagues, and the respiratory care community will be sorely missed.

Our thoughts and prayers are with him, his devoted partner Vicki of 24 years, and his family.

To Brad, we all say to you one last time,  
“Thank you Thank you, Thank you!!!”
