7. Follow the **step-by-step instructions** on the next page to assemble the required documentation for this Letter of Intent Application.

## Step-By-Step Instructions

The Letter of Intent Application is an interactive Adobe Acrobat Document (PDF) compatible with Adobe Acrobat Software 8.0 and later formats. **It must be submitted in the Adobe Template form. Scanned copies will NOT be accepted.**

There are a few helpful tools that will need to be available in your toolbar: the hand tool, the previous page view button, and the bookmarks panel. All tools can be located by selecting View, Toolbars, and More Tools. However, software versions differ so you may have to use the ‘Help’ tab to locate a particular tool. The ‘hand tool’ allows you to fill in the highlighted fields, and the ‘previous page view’ enables you to go back and forth within the template. The ‘bookmarks panel’ allows the user to navigate to different set pages quickly within the document and is located in the navigation pane.

**Please be sure that the ability to rename the folder and documents is not restricted** and that documents are positioned so they do not need to be rotated to view.

Please use the steps on the following pages as a guide in completing the Letter of Intent Application.

1. Create a main folder on your desktop that is labeled with the “Sponsor Name, Letter of Intent (LOI), Submission Date” (i.e., ABC College LOI ADT 10.24.2022).
2. Open the main folder and create **one** sub-folder for the supplementary documents/attachments named **Supplementary Documents**.
3. Save the Letter of Intent Application to the main folder you created on the desktop.
4. Name the Letter of Intent Application the same as the main folder “Sponsor Name, LOI, Submission Date” (i.e., ABC College LOI ADT MM.DD.YYYY). When you open the main folder, it should look like the example below.

Name	Status	Date modified	Type
 Supplementary Documents		12/14/2022 12:27 AM	File folder
 ABC College LOI-DA ADT 10.24.2022.pdf		10/26/2022 10:48 PM	Adobe Acrobat D...

5. Open the saved template and complete the requested information with the appropriate signatures.
6. Place all documentation requested to **'include as attachment'** throughout the application in the Supplementary Documents folder. If more than one document is required for an attachment, all requested documents should be combined (i.e., scanned or PDF portfolio) to create a single PDF attachment. The example below is how the Supplementary Documents folder (for an additional degree track with a clinical component) will look once all the attachments have been included.
