

# SAVE THE DATE

Virtual Student Survivor Hour

Feb. 13, 2024  
12 to 1 p.m. CT

We encourage all program directors and their students to join us virtually for a Student Survivor Hour (SSH) filled with great information for students, recent graduates, educators and anyone interested in learning more about the NBRC, AARC, ARCF, CoARC and Lambda Beta Society. This is a great event for you and your students to attend together in your classroom!

*SSH gives you the opportunity to:*

- Engage with leaders from the NBRC, AARC, ARCF, CoARC & Lambda Beta.
- Explore credentials the NBRC offers and what it takes to maintain them.
- Find out how to become a student member of the AARC.
- Discover scholarship & award opportunities through Lambda Beta Society.
- Learn how the NBRC and AARC resources can help support you in your journey to becoming a credentialed respiratory care practitioner.

*If you do not receive an email invitation by January 24, please contact Tammy at [tammy@coarc.com](mailto:tammy@coarc.com).*
