

CoARC Louis Sinopoli, PhD, RRT, FAARC Faculty Educational Research Scholarship

Application Information and Instructions

The CoARC has established a scholarship to recognize a faculty member of a CoARC-accredited program for educational or accreditation research with practical value to the respiratory care profession. The Award is \$2000.00.

General Instructions

Submission of Application Forms

Use the attached form to apply for the CoARC Louis Sinopoli, PhD, RRT, FAARC Faculty Educational Research Scholarship. Use English only and avoid jargon and unusual abbreviations. The application should be single spaced and include: graphs, diagrams, tables and charts where needed. Any oversized documents, graphs, diagrams, tables and charts should be put in an appendix.

Please sign and submit all documentation as one PDF. Email the completed packet to Bonnie Marrs:
bonnie@coarc.com

Do not submit an incomplete application. Do not submit additional material pertinent to an application after the receipt date unless it is requested or agreed to by prior discussion with the CoARC.

All completed applications should be **submitted by February 1st** for consideration of the annual award. Any incomplete applications will not be considered. Applicants will be notified by April 15th of the decision regarding award of a scholarship. The scholarship and certificate are presented at the CoARC Awards Ceremony during the AARC Summer Forum. The CoARC will pay transportation to and from the reception location (excluding first and business class). It will include a maximum of one hotel night, meals for one day, and transportation to and from the airport for the recipient, expenses not to exceed \$2000.00. Meals will be reimbursed at a maximum of \$75.00 per person per day (itemized receipts required).

Progress Reports

Modifications to the projects must be submitted and to the Executive Office and approved by the Public Relations Chair. Summary reports must be submitted to bonnie@coarc.com within six (6) months of approval and upon completion of the project and must be properly identified with the title and name of the principal investigator.

Publications related to the research must acknowledge the support of the CoARC; the award recipient must notify the CoARC Executive Office upon publication and include the link/reference where the publication can be found.
