#### **Instructions to the Program Referee**

The review of this program is based on the 2023 Accreditation Standards for Degree Advancement Programs in Respiratory Care ("Standards"). Please assess the report and accompanying documentation with respect to the degree to which they appear to meet the Standards.

**Form B:** Make sure each Standard is checked with either "Appears Met" or "Appears Not Met." For each Standard "Appears Not Met" be sure to include an appropriate rationale. If compliance cannot be determined at this time, check the appropriate box. Some boxes are pre-checked because some evidence is only available on-site. The Site Visit Team will follow-up.

Form C: Include general comments. Do not include any citations.

Form X1: Review comments from EO and address negative findings.

**Form X2:** Provide specific instructions to site visit evaluators as appropriate. Include negative findings from Faculty Evaluation SSR Questionnaires and Student Evaluation SSR Questionnaires.

**Form D:** Ensure each citation includes a rationale (from Form B) and list the evidence required to achieve compliance with each Standard.
